

Worship Team

Pastoral Contact: Darci Jaret

The worship team works closely with the pastor of worship to plan, implement, and lead worship at Park Ave. This team is responsible for creating and discovering liturgies and music that will lead the congregation through the liturgical calendar (i.e., Advent → Epiphany → Lent → Eastertide → Pentecost → Ordinary Time), the calendar year, and various cultural celebrations (e.g., Black History Month, Trans Day of Remembrance/Resilience, etc.). This team is also responsible for volunteer coordination, scheduling, brainstorming sermon series ideas, and working with the Creative Team to create altarscapes that lead the congregation in worship.

People with skills in art, music, creative expression, and audio-visual music and speaker set-up will find a home in this team.
