Grace Period

We have noticed with gentrification and the nature of the work that many of our congregants do that more and more people have become insecurely housed. The church has been able to provide some housing in certain cases.

Lindsey, Sam, Henra & Darci met to talk about how to create a covenant for folks who stay temporarily in the church. Maybe this will grow into a ministry here, perhaps the name "Grace Period" works...

- Lindsey will write up covenant language
- Henra will write up expectations

- Deacon Update (Lanta)
 - Deacon Meeting 4/27
 - In Attendance:
 - Specific requests:
 - Deacons would like to:
 - -The Deacons' primary request was to be informed and included in conversations regarding information that will be presented to the church for a vote prior to it being presented at the next church meeting. They feel it's important to both be involved in these conversations and have access to this information in order to provide the best support and care for the congregation at the next business meeting.
 - -They also expressed concern that there is no Deacon representation currently on the Personnel Team. They feel their above request can help mediate this in the interim, but long-term feel that it should be a priority for at least one Deacon representative (or, alternatively, another church member who has been an active member for 5+ years) participate on the Personnel Team.
