

AV Team

Pastoral Contact: Darci Jaret

The team works closely with the pastor of worship to maintain accurate, timely and appropriate presentation of the worship outline on the screen. AV team is technically a part of the worship team and is responsible for creating and editing the ProPresenter presentation for each Sunday's service. This team is also responsible for volunteer coordination, scheduling, and rescheduling, working closely with the Worship Team each Sunday to ensure matching lyrics and the flow of service.

People with skills in audio-visual, soundboards, powerpoint and proresenter and computer trouble-shooting will find a home in this team.
